

High Quality Education for Today & Tomorrow

- This 2010 Technology Levy **will not increase your taxes.**
- The passage of this **replacement levy** will sustain our existing equipment & train staff to take full advantage of recently introduced technology.
- Technology has become a **basic need** for education.
- **Washington state doesn't provide** funding for technology.
- Technology ensures our students **compete equitably** with other students within our state, throughout the nation & around the world.
